

Dear Store Manager / Buyer,

Kia ora! I would love to see Angel Food products on your shelves. I am a regular shopper at your store, but am forced to shop elsewhere to find these products.

Angel Food produces a range of delicious dairy-free, vegan products, including:

- Dairy-free mozzarella alternative
- Dairy-free parmesan alternative
- Dairy-free cheesy sauce (ready-to-eat)
- Dairy-free cheesy sauce mixes
- Liquid smoke (added to food to give a bacon flavour)

Angel Food is nationally distributed, and can be found in supermarkets and stores from Northland to Invercargill.
